OTHER COMMUNICATION OPPORTUNITIES

- Anytime there is a **Friday the 13th**. This might be an appropriate date: **GET LUCKY** this Friday the 13th...
- Let everybody know when your office will be closed over Christmas and New year, or when your office will be closed for a long weekend.
- When you first launch your website or make important updates to your website, send out an Email notice to your customers.
- Always remember your Customers' and Suppliers' Birthdays and any other special occasions or Anniversaries...
- Contact Customers' and Suppliers' when you are having a special date.... For example when it is your own birthday, when you have a child, a grandchild, get married, move house or any other significant event in your life. Also look for significant business events to use as excuses to contact your clients.
- Let people know about your big sales:
 - The super, last chance clearance sale
 - Winter Specials
 - Summer Stock Take Sale
 - Buy One and Get One Free
- Use Email to follow up on a salespersons call. Thank your customer for watching or hearing your presentation, to set up appointments, thank your customer for a referral, apologise for something you may have done wrong, welcome a customer to your industry or anything else that they may be new at, compliment your customer for something they have done well or achieved, Let them know you saw them in the media and congratulate them, Thank them for their time and effort or for doing you a favour, express your condolences, wish them good health.

QUALITY CONTENT IS KEY

The above mentioned dates / events give you great excuses to contact your clients via Email.

Send a well prepared Email message, this way you can be sure that it will be well received.

The content of your Email message **MUST** be valuable. Your subscribers have given you there permission to contact them and you want to continuously reward them with quality and value.
